## What Are The Benefits Of The 1ClickFactory Partner Dedicated Datacenter for NAV / Business Central on Azure Service?

### Build Up Microsoft Recognition for Azure

Become a Digital Partner of Record (DPOR). A Digital Partner of Record connects servicing Partners to a Microsoft cloud subscription. Partners can then qualify for competencies and incentives. By being the DPOR you're able to help customers optimize their usage for desired business outcomes.

### Get Discounts for Partner Installations

When using our service, get a monthly 5% discount for all of the installations deployed on the Partner Dedicated Datacenter for NAV / Business Central on Azure. You can calculate the monthly rate in 1ClickFactory Self-Provisioning Price List.

### Enjoy Simplicity In Pricing and Functionality

We focus on ensuring our customers have the best possible experience; plus they save time at each stage of Azure implementation. Discover the simplicity in easy to understand pricing and range of capabilities, just as in public cloud. Our pricing is effortlessly predictable and offered on a subscription basis, with a fixed per-user-per-month and a Private Datacenter maintenance fee.

### Get Answers On Demand With Any Microsoft Azure Datacenter

If you face challenges during installation, take comfort in the knowledge that you'll always receive a fast, professional and helpful response to your queries. Any publicly available Microsoft Azure Datacenter can be chosen this service and you can always be sure that only your customers will be deployed on the chosen Azure subscription.
