

Welcome to the 1ClickFactory team!

Since our company is open for everyone who is ready to launch the future together, here's a short intro to what we do, our values and the beautiful country we are located in.

Although it's hard to convey all the beauty of either Lithuania or 1ClickFactory company, first impressions matter in all the areas of life.

Feel free to share your impressions and the following information with those who might be interested in moving to another country, taking new career opportunities, meeting new people and experiencing new things!

We are GROWING

1ClickFactory is a constantly growing IT company. Our high-quality Microsoft Dynamics 365 upgrade and development services help Microsoft Partners in delivering solutions to their customers on-premises and/or in the cloud.

We are one of the two companies in the world providing CfMD services by testing our Partners' solutions and providing recommendations.

We exclusively serve Microsoft Partners whom we help through our expertise to increase cost predictability, scalability and efficiency, shorten project time and solve resource shortage.

1ClickFactory is a Microsoft ISV Development Center that is Gold Certified in Enterprise Resource Planning, Application Development and Cloud Platform.

We are a global business currently delivering our services to 300+ partners in 40+ countries.

We are LEARNING

We have an opportunity to work with the newest products and be involved in projects around the globe.

We are supported by senior ERP specialists who have 15+ years of experience in the Microsoft Dynamics business.

We have a possibility to plan our own work time and work remotely when it is necessary.

We work in a dynamic and friendly environment with a strong and helpful team. Colleagues are always here to share their knowledge and experience with others.

We have a strong organizational culture with a healthy and informal working environment.

We keep and live by our company's values daily – we OWN, we CREATE, we SPEAK UP, we GROW, we ENJOY.

We are ENJOYING

Company Day. We organize Company Day twice a year to gather together and celebrate 1Clickers day! These days are usually filled with various activities, sports or live performances. People working at our company really know how to have fun!

Team-building. Every department has an opportunity to get off-site and have their own team building. All ideas with regards to activities are welcome!

Innovation Day. Typically, it is a 24-hour event during which employees join several teams to solve a problem relevant to the business. Ideas/problems can be suggested either by 1Clickers or the company's partners who have recently joined this exciting event!

Halloween party. Every year at the end of October we organize a fun Halloween party. Volunteers can gather to share some ideas on the theme, decorations and activities. An annual team building, employee morale-boosting celebration is fun for all involved!

We are ACTIVE and HAPPY

We are in the city center near the Neris River and are surrounded by beautiful nature!

We have an opportunity for professional improvement (English classes, internal/external trainings)

Health welfare activities (basketball, pilates, volleyball, table tennis, etc.)

Enjoyable breaks in our chill zone (foosball, Xbox, chess, table tennis)

Health and travel insurance

Pet-friendly environment

We participate in various marathons

We are a people-responsible company that fosters an informal environment and openness at work

We are located in Vilnius

Vilnius offers the work-life balance you deserve. A world-class business environment and infrastructure, lively arts and culture scene, a charming UNESCO-listed Old Town and a city so green you may feel like you live in a forest – all less than a 3-hour flight away from the most places in Europe.

There are more reasons to fall in love with Vilnius and Lithuania:

Lithuania has the largest number of doctors per capital in Central and Eastern Europe.

The community of foreign nationals living in Lithuania has grown five-fold since 2010.

Air in Vilnius is the cleanest among the Eastern & Central European capitals, leading in the Green City Index.

Vilnius is number 9 among the cities in the world with a good work-life balance.

Well-developed public transportation network, fresh natural surroundings, and a walkable city centre, getting around is easy and pleasant.

Lithuania is largely English speaking: according to the „European Commission“, there's nearly 100% proficiency in English among young professionals in Lithuania.

Lithuania is one of the best social security benefits in CEE – moving to Lithuania can mean peace of mind and security, knowing that you will be taken care of, no matter what.

Vilnius offers a range of activities all year round to suit all ages and interests.

Lithuania is rich with cultural and social events.

Vilnius has a huge selection of restaurants and bars making going out affordable.

Easy to escape to the countryside or the seaside. Lithuania is 40% forests, therefore, it is no surprise that it is easy to get out of the city to explore the countryside.

Every season in Lithuania has its own beauty as nature paints itself in different colors. We have all four seasons!

Vilnius is full of museums, galleries, beautiful churches and other sightseeing places.
