

# Legal Officer

We are looking for a Legal Officer to oversee the legal aspects of our business. You will safeguard our reputation by guaranteeing that company follows law guidelines and give legal advice to management and other departments, especially on commercial agreements.

## Responsibilities:

- Draft and solidify commercial agreements, contracts and other legal documents to ensure the company's full legal rights
- Research and evaluate different risk factors regarding business decisions and operations
- Offer proactive advise on possible legal issues
- Ensure that local, international and industry specific legal requirements are met

## Requirements:

- 3+ years of experience in commercial and contract law
- Knowledge and understanding of corporate law, IP law and data protection regulations
- High degree of professional ethics and integrity
- Sound judgement and ability to analyze situations and information
- University degree in Law
- Excellent communication skills
- Strong command of English (especially great drafting skills) is essential

1ClickFactory is a Dynamics 365 software factory. Our high-quality Microsoft Dynamics 365 upgrade, development, and training services, together with our leading Microsoft Azure managed hosting service, help Microsoft Partners offer better business value to their customers delivering solutions on-premises and/or in the cloud. We exclusively serve Microsoft Partners whom we help reduce financial risk, increase scalability, shorten project time, solve resource shortage and increase cost predictability, leading to higher profits and greater revenues. Unlike the traditional ERP upgrade service providers who offer this type of service through 1:1 sourcing of people, 1ClickFactory takes responsibility for the projects, uses automation tools and has performed 500+ Dynamics NAV and Dynamics AX upgrades, 300+ development projects and serves 5,000+ NAV users on Azure. 1ClickFactory is a Microsoft ISV Development Center that is Gold Certified in Enterprise Resource Planning, Application Development and Cloud Platform. We are a global business currently delivering our services to 300+ partners in 40+ countries.
